A Secret Letter from Rowan

Rowan has written you a letter in the old Clover Glen code. Use the code key to find each letter, and write it in the box below its symbol.

— your friend, Rowan

The Clover Glen Code Key

Each symbol is the shape of the lines around that letter in the key.

Crack the Wheel Code

1. Lay the inside wheel on top of the outside wheel and push a paper fastener through both centres.
2. Turn the inside wheel until the clover points at the letter F on the outside wheel.
3. Find each code letter on the outside wheel, and write down the letter just inside it.

R	J	J	Y		R	J		F	Y		Y	M	J

T	Q	I		T	F	P		Y	W	J	J

Now make your own secret message

Choose a secret letter for the clover to point at, then write your message in code for a friend. Tell them your secret letter so they can read it!

Answers for Grown-ups

Level 1 — A Secret Letter from Rowan:
MEET ME AT LANTERN BRIDGE

Level 2 — Pip's Secret Directions:
FOLLOW THE LANTERNS TO THE FAIRY RING AND LOOK UNDER THE RED MUSHROOM

Level 3 — Crack the Wheel Code:
RJJY RJ FY YMJ TQI TFP YWJJ
means: MEET ME AT THE OLD OAK TREE

How the wheel works: with the clover on F, every letter moves 5 places along the alphabet (A becomes F, B becomes G, and so on). Choosing a different letter for the clover makes a brand-new code.
